Hi!!!

See my trolley?

**It's my FOODI TRUKE!!!! Just another reflection of the CRI'SIS**

The situation here in Brazil is so bad that I needed to do something ...so here I am with my trolley --> TRUKE

Yeah, looks now everyone is talking about the same thing...

**CRISIS** back and forth ---

Economic --> political --> ecological

In the end this whole crisis reflects our **INTERNAL CRISIS!**

The scarcity of natural resources is nothing else than the scarcity of our subjectivity....

That's why this lack of air everywhere I go....

It's because it's lacking art! It's lacking magic! It's lacking mystery, ritual, myth ... **It's lacking fantasy**----->because I really believe that the way I dress helps me exercise the other of myself...

Yes, my dear.. **IT LACKS MADNESS,**  
but not this madness I see wandering around ...  
It lacking the **crazyness which cures...**

Not this illness, this herd of tie-wearing people -->suited  
-->Internal--> self-interned!

**Sleek black shoes** which don't know  
the street ways to go on.....

These are the *people in the dining room*<sup>1</sup>. The *maidenlike housewives*!<sup>2</sup>

**Making a lot of noise with their pots**<sup>3</sup>!!

1

Reference to the song "Panis et Circenses" of the 60s brazilian band, the Mutantes.

2

Reference to a magazine story title about the actual brazilian President's wife, Ms. Marcela Temer.

3

In the current Brazilian political overview, those against the Government of the current removed President, Ms. Dilma Rouseff, demonstrating their dissatisfaction by hitting pots during the political time slot on TV.

Excuse me, but for me pot is still a food manufacturing  
So, instead of using it to make noise...let's eat!!!!

but first, *SOME MAGIC !*

See this bag of corn grain??

*ABRACADABRA*

Now, everyone will be in the same bag. I, you, he, she, the  
maidenlike housewives Everyone is a corn grain of the same  
bag ... and from the bag now are going to the same pot.

Now, all we need is *FIRE!!*

--> *FIRE* stolen and given to us by

Prometheus' hands --> *FIRE* of Surya --> Indra --> *Xangoooo*^.-->  
Apollo's *FIRE* burning arrow.--> *FIRE* of the Phoenix, that from its  
ashes reborn.-->

*FIRE*  $\Sigma$  *TRANSFORM*

HARD CORN GRAIN

$\Sigma$  Takes out all these people from their kernel, dissolving ties and  
suits and any other type of shell.

Because everyone here has their shell, me, you, them --> everyone  
has one carcass, even if its thin ... That's why I am starting a fire!!

م ش ج م ط ق س ن ط ن س ن ج م !!!

Right-wing<--->left-wing;

everybody here -->everybody

myopic children of democracy

which don't see that right and left is part of the same body, and  
now in the same pot!!!

This passionate rivalry between revolutionary and reactionary is the  
gas for my fire!!

And they, the maidenlike, who *temer*<sup>5</sup>, better yet, fear the power of the life of the relationship of the body, will have to relate in my pot!!!

--> **SHAKE**--> **DANCE**--> **MOVE**

--> **YES** --> **CHANGE PEOPLE!**

All hard corn grain turning into white flower! Turning point—

**POPCORN !!**

White flower of *Oxalá*<sup>6</sup>! *E BABA*<sup>7</sup>!

Well, I'm sorry, you can call it whatever you want --> Buddha -->

Jah --> Allah 4 me it doesn't matter.

We call Entity even the members of the Government --> Judge --> Mayor --> President --> Prime Minister --> Police --> we call even the policy an Entity!!

Oh, my dear friends, do me a favor --> Let be ourselves our own

Entities! **POPCORN IN FLOWER**

--> **SHAKE**--> **DANCE**--> **MOVE**

--> **YES** --> **CHANGE PEOPLE!**

Here the only state is

**the state of transformation!!**

What about the *Party*<sup>8</sup>??

Well my heart is a *party heart*<sup>9</sup>, and the illusions...

Ahhh, the illusions are still latent...

*IT'S OUR* **SMS**--- Capitali**SM**,  
Monetari**SM**, Neoliberali**SM**, Communi**SM**, Populi**SM**,  
Totalitariani**SM**, Nacionali**SM**. Racismi**SM**. Femini**SM**.

Divisions, although some of them feed hopes of parts sum ...

But here my dears, in this melting pot, has no such a thing,

**everyone is together, all grain of corn**

5

Reference to the Brazilian actual President, Michel Temer, which the word "temer", in Portuguese, means "to fear", in present tense.

6

Entity of Candomblé, Afro-Brazilian religion

7

Also in Candomblé, means a reference to the "Father".

8

Political Party

9

Referring to "broken heart"

## **DIFFERENT, <sup>مختلف</sup>!**

White flag, love!! Here in this pot the flag is white!!!!

Are you listen that??

This are the sound of hard grain corn transforming in  
**POPCORN !!**

Yeah gradually, the conservatives, which conserve themselves in  
the division, start popping up the thoughts and  $\Sigma$ transform...

transforming themselves in **POPCORN !!**

--> understanding the equation of sum and  
multiplication of the life!!

But you will see that despite all the **FIRE**,  
the **PRESSURE**,  
the **NOISE**  
not everyone here dropped their carcass.

There's still people of so hard carcass that it's not  
worth the effort.

So, Cazuzza<sup>10</sup>, I'm sorry, but in this case -->

'leftovers and scraps do not interest me'

Those hard and burned corn grains will be thrown in the trash  
and the rest??

**Well, the rest is white flower, food  $\cup$  the spirit and  
soul..**

**SO LET'S EAT** --> *Incorporating, the only  
constant-TRANSFORMATION!!!*
